

## Baggage: size and weight restrictions - Delta Air Lines

### Delta Air Lines

Check the hand baggage policy at Delta Air lines. Remember that the baggage dimensions are determined individually by each air carrier. If it is possible, choose a soft backpack instead of a rigid suitcase. It will be easier to adapt it to the requirements.

Checked baggage must also meet certain requirements. Check the permitted weight and size of checked baggage at Delta Air Lines. The number of suitcases that you can take with you depends on the booking class or tariff.
