

## Baggage: size and weight restrictions - Spirit Airlines

### Spirit Airlines

Check the hand baggage policy at Spirit Airlines. Remember that the baggage dimensions are determined individually by each air carrier. If it is possible, choose a soft backpack instead of a rigid suitcase. It will be easier to adapt it to the requirements.

Checked baggage must also meet certain requirements. Check the permitted weight and size of checked baggage at Spirit Airlines. All prices listed below are for standard fare customers. Additional discounts are available for those enrolled in the 9\$ fare club. Check Spirit Airlines for 9\$ fare club prices.

### Hand baggage at Spirit Airlines

All of the passengers of Spirit Airlines can take one personal item on board for no charge such as a handbag, a small backpack, a laptop bag or a briefcase. Extra personal items or anything larger like a standard carry-on or checked bag will need to be paid for.

In addition to the personal item, passengers can purchase one carry bag such as such as a roll-aboard or garment bag which must fit in the overhead bin. Passengers who want to board with a carry bag must pay a fee.
